

Dip Your Toe In Creative Waters

May 1 - 3, 2026

Join Aspiring Writers For a Spring Weekend in New Hampshire

Hosts: Authors Kendall Perkins Swords, Marjorie Burke, and Patricia O'Connor

Stay at the historic Follansbee Inn, located on Kezar Lake, and enjoy time to explore your creative side, hone your writing, initiate new writing projects, or simply immerse yourself in a quiet setting, with space to journal.

Enjoy mini-workshops, walks, talks, kayak and canoe rides, and share meals with a like minded group.

Workshop fee includes a room at the inn, simple dinners, and full breakfasts. Commuter spots available for an adjusted rate, but locals, consider a full immersion.
